Dear Sir:

In accordance with 37 C.F.R. § 1.137(b), Applicants respectfully petition for revival of the above-identified patent application which became unintentionally abandoned on April 20, 2004. The present application became abandoned as a result of insufficient funds in a deposit account. Enclosed herewith is a copy of the Issue Fee Transmittal, authorizing the Commissioner to charge the issue fee and the publication fee to Deposit Account 50-2899.

In accordance with 37 C.R.F. § 1.17(m), please charge the fee of \$665 for this petition to Deposit Account No. 50-2899, referencing docket number 16016.900600.

Applicant became aware that the application had become abandoned on or about July 23, 2004 upon seeing the Notice of Dismissed Petition dated July 13, 2004. The entire delay from the due date for the required response until the filing of this petition has been unintentional.

It is believed that no extension of time is required. However, should an extension of time be necessary to revive the above-identified application or to prevent the above-identified application from becoming abandoned again, please consider this a conditional petition for such

an extension of time. Please charge any fee for such an extension of time to Deposit Account No. 50-2899, referencing docket number 16016.900600. A copy of this paper is enclosed.

If it should be determined that for any reason either an insufficient fee or an excessive has been paid, please charge any insufficiency or credit any overpayment necessary to ensure revival of the above-identified application to Deposit Account No. 50-2899, referencing docket number 16016.900600. A copy of this petition is enclosed.

Respectfully submitted,

OFFICE OF PETITIONS

In re Application of
Edward Shanbrom
Application No. 09/315,688
Filed: May 20, 1999
Attorney Docket No. 38786.00069

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed June 7, 2004, to revive the above-identified application.

The petition is **dismissed**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." Petitioner is advised that this is not a final agency decision.

The above-identified application became abandoned for failure submit the issue fee and publication fee in a timely manner in reply to the Notice of Allowance mailed January 20, 2004, which set a statutory period for reply of three (3) months. Accordingly, the above-identified application became abandoned after midnight April 20, 2004.

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed), which may met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute, but must be the payment of the issue fee or any outstanding balance thereof in an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof; (2) the petition fee required by 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) a terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)). This petition lacks items (1) and (2) above.

As to items (1) and (2), the instant petition gives authorization for the USPTO to charge \$665 for the petition to revive fee, \$665 for the issue fee, and \$300 for the publication fee to Deposit Account No. 50-2567. However, the listed deposit account contains insufficient funds. Therefore, revival of the above-identified application cannot occur until the above fees are submitted.
